

Real Cleanliness

You will like the sensation of real cleanliness and refreshment that follows the use of

Pebeco
Tooth Paste

The refreshed feeling that Pebeco leaves is the indication of a big fact in modern dentistry. It means that Pebeco has promoted a normal flow of natural alkaline saliva. And this has neutralized "acid-mouth," which authorities say most of us have and which is almost the sole cause of tooth decay.

If the germs can't penetrate the enamel, they can't decay a tooth. Since Pebeco saves the enamel from "acid-mouth," it helps save the teeth from decay-germs.

Pebeco is the complete dentifrice. Its all-round efficiency is shown in the way it cleans, whitens and polishes the teeth and overcomes unwholesome breath. Sold everywhere.

MME. CAILLAUX'S
TESTIMONY FALSE
SAYS EX-PREMIER

Denies Letters Prisoner Feared Were Read to Him by Former Wife of Caillaux.

PARIS, April 1.—Louis Barthou, former Premier, to-day declared Mme. Caillaux's testimony false when she stated that Mme. Gueydan, a former wife of Joseph Caillaux, had read to him letters which Mme. Caillaux feared would be published. M. Barthou was giving evidence before Henri Boucard, the investigating magistrate in charge of the inquiry into the killing of Gaston Calmette by Mme. Caillaux.

The former Premier said he had met Mme. Gueydan, who lived on the same street as he did. They had conversed about many things, but the letters were not mentioned. He said he knew of their existence only at the time of the death of Calmette.

GIRL HIT BY TAXICAB.

Driver Races With Her to Hospital Where She Is Revived.

Mary Dwyer of No. 44 West Fifty-sixth street, a fifteen-year-old messenger girl employed at Macy's was run down and seriously injured by a taxicab at Thirty-fifth street and Broadway to-day. The girl was crossing Broadway when the taxicab, driven by Henry W. Hager of No. 247 Eighth avenue, skidded on the wet pavement, struck her and threw her against the curb. Hager stopped his car and with the assistance of a policeman put the injured girl inside a taxicab and raced over to the French Hospital in West Thirty-fourth street. When the victim of the accident reached the hospital she was unconscious but was soon revived. The surgeons believe she has a slight fracture of the skull.

escape, broke into the Yellin flat and rescued the two children.

Michael Debelio, a Street Cleaning Department driver, rescued seven-year-old Bessie and five-year-old David Rosenthal from the fourth floor and ninety-year-old Isidor Silberblatt from the third floor.

Riska and Abraham Greenberg, children locked in a flat on the third floor, were rescued by James Galvin of No. 228 South Fifth street, Brooklyn, who reached them by way of the fire escape, carried them down to the first landing and dropped them into the arms of firemen.

Mrs. Hyman Lipchitz was overcome by smoke in her apartment on the second floor while she was gathered.

AFTER COUGHING TWO YEARS

Waycross, Ga., Woman Found Relief in Vinol.

Did you ever cough for a week? Then just think how distressing it must be to have a cough hang on for two years.

Mrs. D. A. McGee, Waycross, Ga., says: "I had a very heavy cold which settled into a chronic cough which kept me awake nights for fully two years, and felt tired all the time. The effect of taking your cod liver and iron remedy, Vinol, is that my cough is gone. I can now get a good night's rest, and I feel much stronger in every way. I am 74 years old."

It is the combined action of the medicinal elements of the cod's liver, aided by the blood-making and strength-creating properties of tonic iron which makes Vinol so efficient for chronic coughs, colds and bronchitis—at the same time building up the weakened, run-down system.

Try a bottle of Vinol with understanding that your money will be returned if it does not help you.

P. S.—If you have any skin trouble try Sazo Salve.
